

# REGISTRATION FORM SELF GENERATORS

**THIS FORM HAS TWO PARTS - PART A and PART B**  
**PART A**

Please provide the information requested in Attachment A for each generating facility. If more room is needed to list all generating facilities, attach additional copies of Attachment A or lengthen the table electronically.

1. Legal name of the Registering Party.

Petit Coulibri Guest Cottages Inc.

2. Registering Party's Dominica postal address

PO Box 331, Roseau, Dominica

3. Registering Party's Street address (if different from postal address)

Petit Coulibri, Soufriere St Mark, Dominica

4. Name, title, address, telephone number, fax number, and e-mail address of the person to whom communications relating to the self-generator should be addressed.

Daniel Langlois  
PO Box 331, Roseau, Dominica  
Tel: (767) 613-3466 (WhatsApp only when service available)  
Email: petitcoulibri@gmail.com

5. Address/location where generator is installed

The generator will be installed at Petit Coulibri Guest Cottages Hotel which is located 1.5 miles outside the village of Soufriere.

**PART B**

1. Is the generation equipment you own and/or operate/used as your main source of electricity or for stand-by purposes only?

( ) Main Source

Standby Purposes Only

2. How/where is the generator housed?

The generator will be housed in a dedicated existing building.

3. How/where is fuel stored?

An existing steel fuel tank is located in a concrete containment room at proximity of the new generator installation.

4. Volume of fuel storage?

The existing fuel storage is a fiberglass jacketed steel tank 2,000 USG capacity.

5. How is the lubricating oil used in the generator disposed of?

The used lubricating oil will be disposed at the government recommended municipal or private facilities.

6. What kind of emission control device does the installation have?

The generator will be equipped with a factory installed FG Wilson Residential Silencer

7. What kind of noise control device does the installation have?

The generator will be sound attenuated and will be equipped with a factory installed CAL and CALG Modular Acoustic enclosure.

8. (For businesses) Do you have an environmental management plan? Not yet because the generator is not yet installed.  
(If yes), please attach a copy.

9. Is the installation certified by the Government Electrical Inspector? Not yet because the generator is not yet installed.  
(Attach copy of certificate)

10. Will the generator be connected to the National Grid? NO

I hereby represent that the information contained on this registration form is true and accurate to the best of my knowledge and belief.
