Dear Mrs. McKenzie,

Re: Tariff Filing Process Schedule submitted on September 30th 2019 DOMLEC

In light of the circumstances that we now face with the effects of the coronavirus on the business environment in DOMINICA and DOMLEC's delay in the withdrawal of the pending court matter, there will be the need for the review of the tariff filing process schedule as submitted to the Commission on September 30th, 2019.

Since this new tariff filing process schedule is hinged to the withdrawal of the court matter, it is only prudent that while the onus is on DOMLEC, and only on DOMLEC, to execute this withdrawal, that until such time, a practical schedule cannot be developed.

Unless DOMLEC defaults to an alternate position on this matter, prudence would dictate that until the matter is withdrawn from the Court, then developing a schedule for new tariff filing would be absurd.

Please be informed accordingly.

Sincerely,
INDEPENDENT REGULATORY COMMISSION
